

Hammer myshare Product Announcement

Firmware Upgrades Available Online

Hammer Storage Customer:

Thank you for your purchase!

All myshare units purchased after February 1st, 2007 have firmware version 1.1.0 installed on the controller board.

To find the most current version of firmware for myshare, please visit the following URL:

http://www.hammer-storage.com/softwareupdate_form.asp

Instructions and release notes are available for download as well. If you need any additional support, please feel free to contact us via email support@hammer-storage.com or phone 800.237.0840.

Thank You,

Hammer Storage Team
